

R E M A R K S

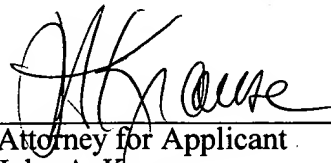

This is to acknowledge that Claims 2, 3, and 7-9 were merely objected to in the above-identified application, and were stated to be allowable if amended to overcome those objections. In this regard, rejected Claims 1, 4-6 and 10 have now been cancelled, and Applicants have amended the remaining claims to overcome the objections.

Specifically, Claim 2 is now presented in independent form and embodies all of the limitations of Claim 1 from which it depended; and, Claim 7 has been corrected as suggested in the Office Action. Also, minor changes as to form have been made to various ones of the remaining claims.

For these reasons it is believed that the application is now allowable and the issuance of a formal Notice of Allowance is solicited.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

Attorney for Applicant
